MYCROFT INC. NAMED PARTNER AGILITY AWARD WINNER AT CA WORLD

It Security Leader Recognized For Success In Transforming Businesses Through Its Cloud-Based Security-as-a-Service Offering

NEW YORK, NY (November 29, 2011) - Mycroft Inc., a global innovation leader in delivering IT identity and security solutions as a service, was recognized as a Partner Agility Award first place winner in the Business Transformation category at CA Technologies' annual CA World event in Las Vegas.

Awarded by CA Technologies and Ziff Davis Enterprise, Mycroft Inc. took first place for transforming businesses with its innovative cloud-based security-as-a-service offering that provides quick-start identity and access management solutions. The innovative solution delivers a full range of commercially available and pre-configured security products in a fully managed, private cloud environment. The offering allows for a "build once and deploy often" model which provides customers with rapid, repeatable and secure solutions with as-needed scalability and guaranteed availability.

"We are honored to be recognized as a transformative solution provider among such a large group of applicants," said Elizabeth Butwin-Mann, Mycroft Inc. CMO and CISO. "Our security-as-a-service offering has expanded our market penetration and overall access to IAM and GRC technologies. Organizations now have a clear best-in-market alternative to address compliance and security concerns in an efficient and cost effective way. As adoption mounts, our service is becoming a critical tool in helping enterprises improve business processes while maintaining the highest level of security."

Built on the CA AppLogic(R) turn-key cloud computing platform that seamlessly composes, runs and scales distributed applications, Mycroft Inc.'s security-as-a-service offering leverages its top tier security operations center to ensure each aspect of the environment - from the hardware up to each

application - is monitored and maintained 24 hours a day, 365 days a year by a team of highly trained security experts.

Mycroft Inc. was honored on November 13, 2011 at CA World in Las Vegas during a session of approximately 1,000 solution providers, system integrators, global service providers and managed services providers.
