Mycroft, Inc Ranked Among North America's Top 500 Technology Integrators by Everything Channel

Saint Louis, Missouri, May 25th 2010—Mycroft, Inc, An Industry leader in Information Security Services, including Identity & Access Management, Governance, Risk & Compliance, Data Protection, and Managed Services, has been recognized by Everything Channel as one of North America's top technology integrators. Named to the prestigious VAR500 list, Mycroft, Inc placed number **489** in the 16th annual ranking.

Mycroft offers a complete lifecycle of Security and IT Managed Services including; Strategy & Assessments, Design & Implementation, Sustain Services, and Managed Security Services featuring 24x7x365 support from our Security Operations Centers.

The 16th annual ranking VAR500 list details the leading producers among technology integrators and technology solution provider organizations in North America based on gross worldwide revenue of hardware and software sales, as well as earnings from professional and managed IT services. This year's list reflects the strength of the technology reseller channel as the ranking includes 182 new companies with four percent of the new entrants landing in the Top 100.

"Our inclusion in the VAR500 is an honor, which I proudly share with the global Mycroft team. Mycroft's move from the 25 To Watch group in 2009 to our top 500 ranking this year demonstrates the increase in market demand for our services and success of Mycroft's commitment to excellence." States Terry Jost, Chief Executive Officer of Mycroft.

"The VAR 500 is the who's who of the solution provider community. Microsoft, HP, Cisco, Symantec among others are highly reliant on the VAR 500 to sell their products to businesses and collectively this audience generated more than \$500B in sales in 2009. Even more importantly they solve customers' biggest IT business problems through product integration, training, consulting and services. In companies large and small, the VAR 500 are considered integration experts, trusted business advisors and invaluable partners. We are honored to compile this list and represent this audience," said Kelley Damore, VP, Editorial Director, Everything Channel.

The complete listing of the VAR500 is published in print and online at [CRN.com](http://www.crn.com) on May 24, 2010.
